# CASO® DESIGN

INNOVATIVE KITCHEN TECHNOLOGY

# COMPETENCE BOOK WINE COOLERS

No.5

# IT DEPENDS ON
# THE TEMPERATURE

Whether red wine with an aromatic bouquet;
a crisp white wine; a well-chilled beer or
cool summer drinks, CASO Design wine and
barbecue coolers ensure maximum enjoyment.

Ice cube makers and ice cream machines
deliver that extra helping of coolness. If you
like tasty, tender meat, you will love the CASO
Design Dry Aged Cooler. There is no better way
to get the best out of your meat!

Enjoy with
CASO Design

## Smart Kitchen

## Temperature control easily via the CASO Control app

Every wine has its own character which becomes more pronounced as it ages. CASO Design wine refrigerators provide the ideal conditions required for this process. Our Wi-Fi-enabled appliances can also be easily controlled using a smartphone – even if you're not at home. The free CASO control app is essential for this and can be used to check and control your wine refrigerator's storage temperature and lighting.

**NEW: Temperature Profiles in the App Portal**
Our latest enhancement allows you to select custom temperature profiles online. They include both the pre-set profiles "Standard Celsius" and "Standard Fahrenheit" as well as energy-saving profiles "Eco Celsius" and "Eco Fahrenheit". To get even more enjoyment out of your wine cooler you can also create your own profiles – perfectly customised to suit your life.

**NEW: LED light strips dimmable via smartphonet**
The built-in appliances in the WineDeluxe WD series have dimmable LED light strips to create a special atmosphere. You can now easily control the 4 light intensity levels via the app.

**Summary:**
- Perfect temperature and light control from virtually anywhere
- App development "Made in Germany"
- Monitors your wine cooler
- Easy light control from almost anywhere
- NEW! Enhanced features in the app portal: Choose pre-set (Standard/Eco) or custom temperature profiles
- NEW for all WineDeluxe WC built-in wine coolers – LED light strips with 4 dimmable light intensity levels
- Free for Android and iOS

**The special way to age meat**
Fancy a Galician beef sirloin steak? An absolute dream for meat lovers. Thanks to its strong marbling this cut is extra tender and aromatic and can achieve its full potential in the CASO DryAged maturing cabinet.

This special way of aging meat makes it particularly tender and aromatic. Beef aged meat on the bone has been a sensation in the USA for decades now.

Dry aging is the oldest known process for maturing meat and involves aging it on the bone for a certain length of time at a controlled temperature and humidity.

CASO DryAged coolers include finely adjustable air conditioning technology and a high-quality finish. A "must-have" for meat lovers who want ultimate enjoyment.

Special
functions ➝

Stainless steel    Sensor-Touch    UV protection

- High quality maturing cabinet with compressor technology

### Wine cooler

| Product name | WineComfort 24 Black |
|---|---|
| Item | 644 |
| EAN | 40 38437 00644 5 |
| Housing / colour | Black with stainless steel frame |
| Temperature range* | 5 - 20 °C |
| Temperature zones | 2 |
| Cooling technology | Compressor |
| Bottles** | 24 |
| Shelves | 5 |
| Operation | Sensor-Touch |
| UV filter glass | ▪ |
| Interior lighting | LED |
| Energy efficiency class | G |
| Annual consumption | 135 kWh/a |
| Power | 60 watt |
| Voltage | 220 V - 240 V; 50 Hz |
| Measures (WxHxD) | 395 x 820 x 550 mm |
| Weight | 36 kg |
| Certification | CE, GS |
| Certification | 1 |

* The achievable value in the interior can not exceed the ambient temperature at the installation site
** Bottle size based on a standard Bordeaux bottle (max. Ø 75 mm)
